## OFFICE OF THE PRIVATE SECRETARY TO HIS EXCELLENCY THE GOVERNOR OF MADRAS.

**Admission to the Prince of Wales's Royal Indian Military College, Dehra Dun.**

*Government House, Ootacamund, the 5th September* 1940

No. 14.

In connexion with the admission of candidates to the Prince of Wales's Royal Indian Military College, Dehra Dun, the following information is published for the use of intending candidates.—

(1) The College provides a public school education on English lines for Indian and Anglo-Indian youths who desire subsequently to enter a cadet college with a view to obtaining commissions in the Indian Land Forces, the Indian Air Force or the Royal Indian Navy, and making one of those services their profession in life. The course of study at the College will, however, be such that, should a boy fail in the competitive examination for admission to a cadet college or for entry in the Royal Indian Navy, he will be in as favourable a position for entry to a university as if he had been educated at an ordinary school.

(2) Candidates will be selected from unmarried Indian and Anglo-Indian boys of—

(a) Provinces of British India.
(b) Indian States.

(3) Candidates must have attained the age of eleven years and be under twelve years on the 20th January 1941.

(4) Candidates should attach to their applications a medical certificate from the Officer Commanding a British or Indian Station Hospital or a Civil Surgeon to the effect that they are physically fit in all respects in accordance with Appendix A to this notification.

(5) The fees of students are Rs 1,500 for each school year. This is a privileged rate and is liable to enhancement hereafter, if circumstances require. Any enhancement of fees that may hereafter be decided upon will, however, be applied to new entrants only. These fees will include tuition, messing, school servants and medical attendance of the ordinary kind and, as initial provision, one suit of the uniform to be worn by students when at the college. Charges on account of washing of cadets' clothing and mending their clothing, boots and shoes, as well as the cost of books and stationery (which will be supplied by the college) over and above the Government grant for this purpose will be met by the parents or guardians of the cadets.

In addition to the fees referred to above, the parent or guardian of a cadet will be required to deposit with the college authorities, on his entering the college, the sum of Rs. 50 which will be returned when the cadet finally leaves the college provided that all dues have been paid

Should it be necessary for cadets to be admitted into a hospital (other than the college hospital), or to provide additional nursing sisters for the treatment of cadets in the college hospital, all charges incurred will be borne by the parents or guardians of the cadets.

A full term's notice is required to be given of intention to withdraw a cadet from the college. In the event of such notice not being given, the parent or guardian will be required to pay one full term's fees in lieu, unless it is considered that the circumstances in which the cadet was withdrawn are such as to call for special consideration (on this point final decision will rest with the Government of India). In cases where notice of withdrawal is given in the first half of the term preceding the

term from which the cadet is to be withdrawn, the recovery of a full term's fees in lieu may be waived at the discretion of the Government of India.

(6) Remission of fees will be granted in August each year to the sons of Indian Officers or men who have served in the regular army, where the services and financial circumstances of the father warrant it. Such remissions are limited to Rs. 500 per annum in any one cadet and are granted for a year at a time, after which they are reviewed.

(7) Parents or guardians of candidates for admission to the college, at the time of the submission of the applications, will furnish signed declarations (in duplicate) in the following form:—

"I, father/guardian of , a candidate for admission to the Prince of Wales's Royal Indian Military College, Dehra Dun, declare that it is my desire that my son/ward should make the Indian Army, Air Force or Royal Indian Navy his profession in life.

I further declare that I have made myself acquainted with the fees payable at the Prince of Wales's Royal Indian Military College, and subsequently, at the Indian Military Academy, Dehra Dun (viz., Rs. 3,850 for a course of 2½ years), and at the Royal Air Force College, Cranwell (viz., £286-8 for a course of 2 years), and expenditure to be incurred in connexion with the training of cadets for appointment as commissioned officers of the Royal Indian Navy (viz., £230 in the case of the Executive Branch and £475 for the Engineer Branch); and that I am able and willing to pay the prescribed fees and meet the expenditure in the case of the Royal Indian Navy, as also the incidental expenses.

I declare also that—

(a) if my son/ward withdrawn from the Prince of Wales's Royal Indian Military College before appearing at an examination for admission to the Indian Military Academy, the Royal Air Force College, Cranwell, or the Royal Indian Navy,

*or*

(b) if, having been declared successful at one of the examinations mentioned at (a) above, does not proceed in one of the institutions with the intention of adopting the Indian Army, Indian Air Force or Royal Indian Navy as his profession, *for reasons* within *his control* or *mine* (on which points final decision will rest with the Government of India), I shall be required to pay the full cost (Rs. 2,700 per annum) which Government may have incurred on his education at the Prince of Wales's Royal Indian Military College.

I declare also that my son/ward is unmarried and that he will remain a bachelor whilst at the college and until he has completed subsequently a course at the Indian Military Academy, Royal Air Force College, Cranwell, or for admission to the Royal Indian Navy.

### Amendments to the Madras Provincial Insolvency Rules.

By virtue of the provisions of section 79 of the Provincial Insolvency Act, 1920 (V of 1920), and all other powers thereunto enabling, and with the previous sanction of His Excellency the Governor, the High Court of Judicature at Madras has made the following amendments to the Madras Provincial Insolvency Rules, 1922 :—

*Rule IV.*—*Renumber* the existing paragraph (2) as paragraph (3) and *insert* the following as paragraph (2) :—

"(2) Except in cases which are to be administered summarily, the court may, at the time of admitting a petition for adjudication, require the petitioner to deposit a sum of Rs. 15 to meet the initial expenses of administration."

*Rule VI.*—The following shall be substituted for the present rule VI :—

"VI. Within a week after the date on which the debtor is adjudged an insolvent on the application of a creditor, or within two days of the admission of a petition by a debtor, or within such further time as the court may order in either case, the debtor shall file an affidavit giving full, correct and true particulars of the survey or resurvey numbers of the properties, the boundaries thereof, the names of the persons in possession of the properties, the terms of the lease, if the properties have been leased out and the rent due and the encumbrances if any, with detailed description of the date and amount of such encumbrance. If the property is only a portion of the survey field, its boundaries shall be described. With regard to book debts, particulars as to the amounts due, the rate of interest and the time at which the debt is likely to get time-barred shall be given. As regards outstandings due to the debtor, the document by which the outstanding is evidenced, the date and amount of the debt, the address of the debtor, the rate of interest payable thereon as also the date of any payments made for interest or principal which will save limitation as well as the date on which the claim or the debt is likely to become barred by limitation shall be given. The debtor shall also state the solvency or otherwise of his debtors and the then market value of the properties to the extent of his knowledge.

Along with the affidavit, the debtor shall produce all the title-deeds of his properties, account books and documents evidencing his outstandings. If he is not in possession of the title-deeds, he shall give detailed information as regards the dates of the documents, the nature of the title-deeds, the executants of the documents—whether registered or not—and the names of the persons in whose custody they are."

*Rule IX.*—*Re-letter* the existing rule IX as IX (a) and *insert* the following as IX (b) :—

"IX. (b) At the time of passing the order of adjudication, the court shall fix a date directing the debtor to appear before the Official Receiver, on such date and on adjourned dates the Official Receiver shall hold a public examination of the debtor as to his conduct, dealings and property after notice to all creditors who have tendered proof of their debts. Notice to creditors shall be sent by post registered for acknowledgment or shall be served personally or in such manner as the Official Receiver may think fit. The debtor shall be examined on oath and it shall be his duty to answer all questions which the Official Receiver or the creditors or their pleaders may put to him. The notes of the examination shall be taken down in writing by the Official Receiver in English and shall be read over or explained to the debtor and his signature obtained. Such notes may be used thereafter in evidence against him and shall be open to inspection by any creditor who has tendered proof of his debt at all reasonable times.

Madras Hackney Carriage (Amendment) Bill, 1940 .. .. .. .. .. Page 75

The following Bill, together with the Statement of Objects and Reasons, is published for the purpose of eliciting opinion. Notice is hereby given that the said Bill will be considered on or after the 25th October 1940 and that any objection or suggestion which may be received with respect thereto before the said date by the Secretary to the Government of Madras in the Home Department, will be considered.

*A Bill further to amend the Madras Hackney Carriage Act, 1911.*

Madras Act V of 1911.

WHEREAS it is expedient further to amend the Madras Hackney Carriage Act, 1911, for the purpose hereinafter appearing;

9 Geo. 5, Ch. 2.

AND WHEREAS the Governor of Madras has, by a Proclamation under section 93 of the Government of India Act, 1935, assumed to himself all powers vested by or under the said Act in the Provincial Legislature;

NOW, THEREFORE, in exercise of the powers so assumed to himself, the Governor is pleased to enact as follows :—

Short title.

1. This Act may be called the Madras Hackney Carriage (Amendment) Act, 1940.

Amendment of section 6, Madras Act V of 1911.

2. After the proviso to section 6 of the Madras Hackney Carriage Act, 1911, the following further proviso shall be added, namely :— Madras Act V of 1911.

"Provided further that the Commissioner shall have power to limit the number of vehicles of any description which may be registered annually, in which case no vehicle of that description shall be registered in any year in excess of the number so limited."

---

## STATEMENT OF OBJECTS AND REASONS.

On account of the large increase in the number of rickshaws in the City of Madras during the last twenty years, considerable difficulty is felt in controlling them. The excess of supply over demand leads to the rickshawmen deserting the stands and causing general obstruction to traffic by touting for fares. As a means of dealing with this traffic problem, it is considered desirable to empower the Commissioner of Police to limit the number of hackney carriages (which term includes rickshaws) that may be registered in the City of Madras under the Madras Hackney Carriage Act, 1911 (Madras Act V of 1911). The amendment made to section 6 of the Act by clause 2 of the Bill gives effect to this object.

---

(By order of His Excellency the Governor)
